

Never Lose Faith

Never lose faith in spite of what people say

Never lose faith because you will see a brighter day

Never lose faith because freedom is on its way

Never lose faith because everything will be ok

Never lose faith even though there is always someone trying
to take your place

Never lose faith no matter how much evil is in your face

Never lose faith and know that one day you will beat that case

Never lose faith because god is always willing to save

Never lose faith no matter what you are going through

Never lose faith and just know that god is always there for you

Never lose faith even though the devil might try and hold you back

Never lose faith because god won't let him succeed with his attack

Whenever you feel like you are about to give up and god don't hear
you when you pray

The only thing I can tell you is to never lose faith
