

What Do You Do

What do you do when the thing you lived for has been taken away

What do you do when all year your clouds is filled with gray

What do you do when the thing you have been waiting for the longest
have been cut off

What do you do when the key to your heart is lost

What do you do when you feel like you have no more fight left

What do you do when the love of your life has been taken away and it feels
like any second can be your last breath

What do you do when all you want to do is feel joy

What do you do when you feel like a lost boy

What do you do when you feel like you have lost your true love

What do you do when it seems like when you send your prayer it gets sent
back from above

What do you do when you are tired of living a depressed life

What do you do when it feels like you have been stabbed in the heart
with a knife

What do you do when you don't know what else to do

Do you give up or do you dig deep down and bring that fight out of you
