Dear Friends,

WE ALL KNOW THAT THE ONLY THING THAT IS CONSTANT IS CHANGE, and that was never truer at Cleveland Christian Home than this past year. CCH has been through many changes over the last 6 years. And while some of our services had to be eliminated, our core programs continue to deliver the quality care and treatment for which CCH is known. I am also pleased to report that the changes we experienced in FY2018 have all been positive.

For the first time in many years, we concluded FY2018 with an operating surplus. This is no small feat given the constantly changing landscape of funding for child welfare services and transition to a managed care model for Medicaid reimbursement. I wish that I could report that the need for child welfare has changed for the better, but sadly, it has not. This past year, Cuyahoga County Department of Children and Family Services alone reported over 16,000 child welfare cases.

With ever-shrinking government funds to care for these children, we rely more and more on the generosity of people like you. Your financial investment helps to cover the cost of the high quality treatment needed to effect positive change. In short, your dollars help us to provide more than just food, shelter, and clothing to children faced with debilitating mental illness.

I’m incredibly grateful for our treatment staff, without whose devotion to our mission we could not hope to effect change. Margaret Mead is quoted as saying, “Never doubt that a small group of thoughtful, committed, citizens can change the world. Indeed, it is the only thing that ever has.”

Our small group of thoughtful, committed, and highly qualified staff work to provided clinically sound care to over 450 children and families. Without our dedicated staff, Board of Trustees, and generous individuals like you, 2018 would not have been a great year.

Thanks for all that you do.

Sincerely,

Chuck Tuttle, CEO

Thank you for your ideas, time, and dedication to helping the Cleveland Christian Home to support children and families in need. Your contribution helps to change lives.
FORTNEY & WEYGANDT HAS CHERISHED ITS RELATIONSHIP WITH THE CLEVELAND CHRISTIAN HOME FOR THE PAST 25 YEARS. Our founder, Bob Fortney, who was originally introduced to CCH and their mission by Frank Boron, was passionate about helping those in need.

The mission of CCH as a haven for hope and healing for children, youth, and families in Cleveland and providing essential programs to those in need, resonated with Bob. As a family, we have always believed in aiding children in crisis and saw this organization as an opportunity to give back to the community. We were all in!

When the Scramble for Kids first began, it struggled to get attention, and I am sure there were years the effort may not have been worth the funds raised for the Home. After a couple of years, Bob started to aggressively solicit our business partners, subcontractors, and clients to rally them for the cause. Pretty soon, we were committed to bringing one of the major sponsors. We have had many business associates involved over the years, and some travelled from out of state to attend, while others donated money to the outing if they couldn’t make it.

Bob loved the Scramble and the events surrounding it. Most years, it was Bob’s only round of golf! His favorite club was his four iron, which he used off the tee. When he hit it well, it would take off like a rocket, and at about 150 yards out, the ball would take a dramatic left hook. He was known to remark, “If I could just hit the ball straight, I wonder how far it would go.” When Bob stopped playing golf, he still enjoyed getting in a cart and driving around the course to visit with all the golfers.

Bob’s favorite part of the day was always the silent auction. He bid on many items and his competitive spirit emerged in the last five minutes, with a flurry of bids to make sure he was the highest. He often bid on all items that did not have offers so that the event had a positive financial result for the Home.

During the major recession in 2008 Bob doubled his efforts to make sure the outing was a success. He realized businesses were struggling but he believed the economy would bounce back. He could not let the kids who rely on CCH services to suffer.

Our commitment has remained strong during the good times and the bad. Fortney & Weygandt encourages you to support the youth in our community who have been dealt a bad start in life, and who now rely on the Cleveland Christian Home for treatment.

Join us in creating a brighter tomorrow for these kids by donating to their cause, or volunteering, or attending an event.

Thank you,
RUTH FORTNEY
Owner, Fortney & Weygandt, Inc.
“It is easier to build strong children than to repair broken men”
Frederick Douglass

THE CHILDREN, YOUTH AND FAMILIES SERVED BY THE CLEVELAND CHRISTIAN HOME
COME TO US WITH VARIOUS FORMS OF “BROKENNESS.” Lack of resources, poor housing, neighborhood violence, food insecurity, joblessness or underemployment— the list goes on and on. Most of the children and youth served by CCH have experienced abuse, neglect or other forms of trauma.

Many psychological and sociological studies have now shown a direct link between these “adverse childhood experiences” (ACEs) and higher risks for later development of poor educational attainment, substance abuse, mental illness and perpetration of violence. These risks increase with the number of adverse experiences a child has had in his or her history.

CCH has a long track record of helping such children and youth to manage difficult emotions, to develop positive social and interpersonal skills and be positioned to grow up “strong.” I made a commitment several years ago to specifically support CCH because, as a mental health provider, I knew that CCH was dedicated to training its staff to help children and youth heal from trauma, and that CCH is turned to by government children’s services to treat many of the most vulnerable of the children and youth in the community.

I know most people have many organizations and charities which vie for their financial support. It is often a difficult choice where to place one’s time, talents and financial resources. CCH board and staff deeply appreciates your donations, volunteer hours and support. Without you, we could not continue to provide the high-quality treatment and care to our clients. We thank you every day.

CCH has some challenges moving forward. Government policies and support are a moving target. Government and health insurance funding does not even cover the operational costs of the agency. The agency’s home for residential treatment of boys (located on Lorain Avenue in Cleveland) is an aging building. While solid in its foundational structure, the building faces significant, necessary repairs and upgrading. These repairs are crucial to maintaining the agency’s credentialing as a residential treatment center and to providing safety and comfort to our residents. CCH will be seeking donor financial support for these renovations and hope that you will consider helping us in this major endeavor.

Sincerely,

JOY WYATT
President, CCH Board of Trustees
I HAVE HAD THE PLEASURE OF SERVING ON THE BOARD FOR THE CLEVELAND CHRISTIAN HOME FOR THE PAST 6 YEARS. However, our involvement with CCH goes back nearly 20 years, when my wife Kelly, through Middleburg Heights Community Church, volunteered to buy a Christmas present for one of the children living at Cleveland Christian Home. She received a wish list, and buying that one gift has evolved into our entire family volunteering at Santa’s Workshop — an annual day of gift wrapping in the Fireside Room at CCH.

We and many others collect toys and clothing to be wrapped and distributed to the boys at the Home, as well as the families helped by CCH’s Community Based Services. Our oldest son Dustin has been volunteering with us each Christmas, and our youngest son Tanner began volunteering before he was even born, as Kelly was a less than a month away from delivering him during the Christmas season of 2000.

While being a part of Santa’s Workshop, we have come to appreciate the importance of the Cleveland Christian Home, the importance of structure, and a sense of home and security for the boys. We have heard the testimonials of the CCH staff regarding the changes and improvement they see with the children they treat. We have also encountered countless stories from case workers and staff about how the Christmas presents that we collect and wrap are sometimes the only ones the boys and their families may receive.

Over the years, we have become “expert” wrappers, taggers, and organizers as we inventory a roomful of presents and hope for our kids. Kelly has recruited many of the associates from her company, National Automotive Experts (NAE), to volunteer their services over Christmas. Kelly’s sales team from around the country descend on Cleveland every Christmas for the NAE Holiday Party and for their stint at Santa’s Workshop at the Cleveland Christian Home.

Since 2012, NAE and sister company Imprise Financial have been the Presenting Sponsor for CCH’s annual 5K Walk & Run for Kids at the Cleveland Metroparks Zoo. Kelly recruits a large team of walkers from the NAE staff and associates. She has also secured a great deal of support from her clients and Ohio Dealer Partners as sponsors for the Walk & Run for the Kids, whereas I participate in the annual Scramble for Kids, one of the best-run golf outings in Northeast Ohio! My son Tanner and I look forward to a great day on the links, but more importantly helping to raise funds for the Cleveland Christian Home.

The NAE family has adopted the Cleveland Christian home and extends their contributions with various fundraisers at work, such as Jeans Friday, March Madness Brackets, and an Ice Bucket Challenge.

The Cleveland Christian Home is an integral part in the lives and families of many, many boys and families who need our help. Cleveland Christian Home serves Cuyahoga County, along with 13 other counties throughout Ohio. For some, the Cleveland Christian Home is the last chance for too many children to receive the treatment that they require. I am very proud that we have been able to play a small role in CCH’s success, and we ask that you help us to spread the word on the work they do.

Please join us in supporting Cleveland Christian Home today and throughout the year.

Sincerely,

BOB AND KELLY PRICE
CCH PROGRAMS AND SERVICES

RESIDENTIAL PROGRAMS
- Residential Treatment is designed for children challenged with mood, adjustment, impulse control, or other mental disorders and who cannot function in a family-like setting or less restrictive environment. All boys in Residential Treatment participate in Mental Health Day Treatment, a structured and intense service that addresses issues of conduct, anxiety, affect, adjustment, impulse control, or other mental disorders.

- Intensive Treatment Unit has a maximum capacity of sixteen (16) male, aged 6-17 who are experiencing an acute crisis and/or severe, prolonged social, emotional, and behavioral challenges related to mental illness. The mental health needs of these residents are severe to the point of requiring intensive services and a high level of supervision. Cleveland Christian Home operates the only ITU in Greater Cleveland and Cuyahoga County.

- Staff Secured Shelter Care Treatment has a capacity of ten (10) males, aged 11-17 that have been referred by the Cuyahoga County Juvenile Court. These youths have been adjudicated delinquent or have a pending hearing for delinquency. The Court has completed a risk assessment and has determined that the youths are able to function in a setting less secure than a locked detention facility. Problems addressed include: neglect, poor peer relationships, conflicts with authority, physical, sexual, and emotional abuse, depression, assaultive actions, learning disabilities, poor hygiene, and truancy. This program addresses the reasons these youths initially became involved in the court system.

- Hope Center Treatment provides housing and treatment for up to 11 boys, aged 12-17, who struggle to overcome the impact of severe sexual abuse, neglect by caregivers, and/or a moderate or severe emotional disturbance diagnosis. They come to us from foster care, other residential centers, or psychiatric hospitals. Hope Center treatment helps them to develop tools and skills necessary to live independently without victimizing others and to become contributing members of the community. Accountability, honest victim empathy, behavior management, understanding of one’s own offense cycle, and relapse prevention are all emphasized in the program. The goal of the Hope Center program is to facilitate the social, emotional, and intellectual growth of our residents that will enable them to return to family life.

- Alcohol and Drug Treatment Services
  - Substance Use Disorder Case Management
  - Substance Use Disorder Crisis Intervention Community Based Services include outpatient counseling, and intensive in-home care management/counseling services to families referred per contract by the Department of Children and Family Services, Children Who Witness Violence, Mobile Crisis, Juvenile Court, and self-referral. Staff of the Community Based Services are licensed therapists and community support providers. Staff are available 24 hours per day, seven days per week. Treatment occurs in the family home or other specified sites in the community, and visits occur during the week, evenings, and weekends. Community Based Services fall into one or more of the following categories:
    - Family Reunification Services
    - Intensive In-Home Services
    - Parent-Teen Conflict Services
    - Resource Family Support
    - Mental Health Services
    - School Based Services
    - Integrated Comprehensive System of Care

MENTAL HEALTH PROGRAMS AND SERVICES
At the time of admission to The Cleveland Christian Home, a complete Psychiatric Diagnostic Evaluation, including a comprehensive clinical, medical, and cultural evaluation of a client’s needs, must be completed by a qualified Cleveland Christian Home staff member. The evaluations are completed prior to the initiation of any mental health program or service.

- Psychiatric Diagnostic Evaluation
- Community Psychiatric Supportive Treatment (CPST)
- Mental Health Day Treatment Consultation
- Prevention

RESIDENTIAL TREATMENT, the flagship program of the Cleveland Christian Home has long provided social and mental health services for boys aged 6-17; however, the nature of the services we provide has evolved with their changing needs. Today, Cleveland Christian Home is a valued clinical resource for boys who have been abused and neglected, as well as boys dealing with acute mental illness and severe behavioral disorders. Cleveland Christian Home has become an invaluable resource for government child welfare organizations and juvenile justice systems around the state.*

Our clinical and residential team’s ability to help these young men address their issues, increase their ability to function on a day-to-day basis, and improve their prognoses has made CCH the go-to organization for boys who face the most serious challenges. We offer highly specialized services designed to address the needs of the boys in our care, as well as at-risk families around the community. CCH has the capacity to accept emergency referrals and admissions to residential programs 24 hours per day, seven (7) days a week.

MENTAL HEALTH PROGRAMS AND SERVICES

- The Mental Health Program is designed to meet the mental health needs of our young men. The program includes a comprehensive assessment of each resident’s mental health needs, followed by the development of an individual treatment plan. Services provided include:
  - Comprehensive Psychiatric Assessments
  - Crisis Interventions
  - Outpatient Counseling
  - Intensive In-Home Services
  - Family Support Services

COMMUNITY-BASED PROGRAMS

- Community Based Services of licensed therapists and community support providers. Staff are available 24 hours per day, seven days per week. Treatment occurs in the family home or other specified sites in the community, and visits occur during the week, evenings, and weekends. Community Based Services fall into one or more of the following categories:
  - Family Reunification Services
  - Intensive In-Home Services
  - Parent-Teen Conflict Services
  - Resource Family Support
  - Mental Health Services
  - School Based Services
  - Integrated Comprehensive System of Care

This program helps residents transition back into their family or other situations in the community.

- The Residential Treatment Program provides housing and treatment for up to 11 boys, aged 12-17, who struggle to overcome the impact of severe sexual abuse, neglect by caregivers, and/or a moderate or severe emotional disturbance diagnosis. They come to us from foster care, other residential centers, or psychiatric hospitals. Residential Treatment helps them to develop tools and skills necessary to live independently without victimizing others and to become contributing members of the community. Accountability, honest victim empathy, behavior management, understanding of one’s own offense cycle, and relapse prevention are all emphasized in the program. The goal of the Residential Treatment program is to facilitate the social, emotional, and intellectual growth of our residents that will enable them to return to family life.

- The Hope Center Treatment Program provides housing and treatment for up to 11 boys, aged 12-17, who struggle to overcome the impact of severe sexual abuse, neglect by caregivers, and/or a moderate or severe emotional disturbance diagnosis. They come to us from foster care, other residential centers, or psychiatric hospitals. Hope Center treatment helps them to develop tools and skills necessary to live independently without victimizing others and to become contributing members of the community. Accountability, honest victim empathy, behavior management, understanding of one’s own offense cycle, and relapse prevention are all emphasized in the program. The goal of the Hope Center program is to facilitate the social, emotional, and intellectual growth of our residents that will enable them to return to family life.

- The Alcohol and Drug Treatment Services provide a comprehensive approach to addressing substance use disorders.
  - Substance Use Disorder Case Management
  - Substance Use Disorder Crisis Intervention

OUR MISSION
The Cleveland Christian Home exists to be a haven of hope and healing for children, youth and families struggling with mental illness, abuse and neglect.

OUR VISION
The Cleveland Christian Home will be a center of excellence providing the highest quality services to meet the physical, emotional, intellectual, cultural and spiritual needs of children, youth and families. In order to create this vision, we are dedicated to:

• Employing highly skilled professionals who work jointly with children, youth and families;
• Providing services in a responsive, flexible and supportive environment;
• Developing programs and maximizing resources as a response to the needs of children, youth and families;
• Utilizing the talents and resources of the Board of Trustees, Staff and Volunteers to establish the Cleveland Christian Home as a center of excellence.
